

ENTRY-LEVEL HEADSET FOR DESK PHONE

# WIRELESS COMMUNICATION STARTS HERE!

**SIMPLE. PROFESSIONAL. AFFORDABLE.**

Jabra PRO 920 is a professional entry-level wireless headset designed for use with desk phones. The robust Jabra PRO 920 offers all the essential features of a wireless headset in a simple design at an attractive price point.

**GREATER PRODUCTIVITY AND COMFORT**

Jabra PRO 920 frees users from their desk, enabling them to find documents and multi-task with maximum efficiency while on a call. Apart from being able to walk and talk up to 120m/350ft away from their desk, users will also benefit from enhanced ergonomics as the headset prevents neck-strain caused by pressing a phone to their ear for long periods.

**TRUE JABRA QUALITY SOUND**

Jabra PRO 920 offers crystal clear audio and quality enhancing features such as Jabra SafeTone™ that protects hearing by cutting off loud noises and securing safe average sound levels. The noise-canceling microphone blocks out unwanted background noise from the office.

**EASY TO DEPLOY. EASY TO USE.**

Jabra PRO 920 is compatible with all leading desk phone systems. User-friendly voice prompts make set-up a breeze, and the simple and intuitive call-control buttons make it easy to control calls from the headset.

- 1. Crystal clear sound and safe sound levels
- 2. Soft, comfortable ear cushions
- 3. Noise-canceling microphone
- 4. Dedicated button to answer/end calls
- 5. Separate buttons to mute call or turn volume up or down
- 6. Adjustable headband for a perfect fit
- 7. LED display with Battery, Mute and Audio link indicators

*GN Netcom is a world leader in innovative headset solutions. GN Netcom develops, manufactures and markets its products under the Jabra brand name.*
