### **VoIP Supply Named to the 2009 Inc. 5000 List**

*North America's leading supplier of VoIP Equipment makes third straight appearance*

BUFFALO, NY August 23, 2007 — VoIP Supply LLC ([www.voipsupply.com](http://www.voipsupply.com)), North America's leading supplier of Voice over IP (VoIP) equipment and complete systems, today announced their selection to Inc. Magazine's 28<sup>th</sup> annual list of America's fastest growing private companies based on revenue growth of 55.7% from 2005 to 2008. The selection marks the third year in a row that VoIP Supply has appeared on this prestigious list.

"It's always an incredible honor to be named to a list that contains the best and brightest companies in America," stated Benjamin P. Sayers CEO of VoIP Supply, LLC. "This year's selection is especially gratifying given the economic turmoil everyone experienced during 2008. The fact that VoIP Supply was once again named the Inc. 5000 with these factors in play is a testament to the hard work, dedication and team effort put forth each day by the entire VoIP Supply staff. I could not be more proud of everyone who has played a part in our continued success."

VoIP Supply was one of the top 15 fastest growing companies in the VoIP space on this year's list. To qualify for the Inc. 5000, companies must have been founded and generating revenue by the first week of 2005, and therefore able to show four full calendar years of sales. Additionally, they have to be U.S.-based, privately held, for profit, and independent -- not subsidiaries or divisions of other companies -- as of December 31, 2008. Revenue in 2005 must have been at least \$200,000, and revenue in 2008 must have been at least \$2 million.
