

Your music is calling.

Looking for a Bluetooth headset that will give you both crystal-clear conversations and hi-fi stereo audio? Your search is over. The VXi BlueParrott S450-XT puts VXi's advanced noise canceling together with aptX™ audio technology to deliver uncompromised, hear-and-be-heard sound quality. Even in the noisiest environments. Add customizability via our exclusive Parrott Button™, 300 feet of range*, and more than 24 hours/charge for music, movies or calls, and you've got the talk of the Bluetooth stereo world: the VXi BlueParrott S450-XT.

Benefits

- Be heard clearly with the industry's best noise-canceling microphone technology.
- Enjoy music in clear, natural hi-fi stereo.
- Pair easily with any two Bluetooth devices at one time.
- Roam up to 300 feet* from paired Bluetooth devices.
- Control music and calls straight from the headset.
- Connect with wires or without.
- Talk or listen to music for over 24 hours per battery charge.

**When used with a suitable Class 1 device.*

With hi-fi stereo and VXi's Xtreme Noise Suppression™, the VXi BlueParrott S450-XT is the talk of the Bluetooth stereo world.

Parrott Button can be programmed with the BlueParrott app.

Multifunction button (MFB) controls playback, call answer/end and pairing.
