

 Jabra®

# LIGHTWEIGHT COMFORT. WIRELESS PRODUCTIVITY.

The Jabra GN9330e wireless office headset is designed to enhance the way you work. Free yourself from your desk, and experience greater comfort and increased productivity.

- Up to 325 feet of wireless office freedom
- WiFi-friendly 1.9 GHz frequency with DECT™ 6.0 wireless technology
- Up to 9 hours of talk time without recharging
- Noise-canceling microphone for reduced background noise
- Digital encryption for secure conversations
- Excellent sound quality
- Stylish and lightweight, at less than 1 oz.
- Exceptional ease of setup and use

This headset provides you with clear, natural sound. The GN9330e noise-canceling microphone technology and enhanced wind-noise reduction ensures your voice is always transmitted clearly, even when you're moving through noisy areas. An extensive 9-hour talk time (around-the-clock talk time with optional hot-swappable interchangeable battery) ensures you're always ready for action, and a cutting-edge design enables you to do business in style.

Headsets have never been so easy to use. The Jabra GN9330e headset connects effortlessly and quickly to your telephone. Intuitive headset controls make it easy to operate. With an enhanced design, improved materials, and weighing less than an ounce, the GN9330e is so comfortable you'll forget you are even wearing it.

With a range of up to 325 feet, you can take your calls throughout your office. The Jabra GN9330e allows you to escape the limitations set by your conventional telephone handset, providing hands-free mobility, all-day comfort and superb sound clarity.

# FEATURES & BENEFITS

Features	Benefits
Truly wireless headset	The truly wireless Jabra GN9330e gives you hands-free flexibility, increasing efficiency: no cables involved. Keep your hands free during calls and let your body move.
Up to 325 feet of office operating range	Get maximum value from the office space. Move hands-free and be unhindered throughout the working day. You no longer need to be beside the phone to do business.
Extensive 9-hour talk time	The Jabra GN9330e comes with a single 9-hour battery. A second hot-swappable battery is available as an accessory. Switch batteries and never drop a call!
3-hour battery recharging time	You know your headset will always be ready for the next day's business.
Battery status indicator	The 4 base LEDs keep you informed of your headset battery status at all times.
Noise-canceling microphone	Enhanced call clarity by reducing wind noise and eliminating background noise from the office.
200 Hz — 3.5 kHz audio bandwidth	The sound of traditional telephony with hands-free mobility.
Mute function	The mute button is easily accessed, preventing your voice from being transmitted when you need to consult with a colleague.
Volume control	Intuitive controls facilitate easy volume correction.
2 wearing styles: • On-the-ear (ear-hook) • Over-the-head (headband)	Choose the style that suits your personal preference. The soft and comfortable earpiece materials ensure optimum wearing comfort.
Outstanding connectivity	Guaranteed plug compatibility to virtually all telephones. The direct connect base enables effortless, quick connection; the simple setup ensures trouble-free, intuitive, daily operation.
Remote call answering/ending	The Jabra GN9330e features remote call answer/end functionality, letting you answer/end calls while away from your desk using the Jabra GN1000 remote handset lifter, which mechanically lifts/lowers your telephone's handset.
PeakStop™ technology – max 118 dB SPL (RMS)	Protection against sudden loud noises coming across the telephone network.
Digital security encryption	The Jabra GN9330e digitally encrypts your calls, giving you complete calling security and conversation confidentiality.
Technology	1.9 GHz DECT™
Warranty	1-years' warranty
