## WIRELESS VOIP AND DESK TELEPHONY.

The Jabra GN9350e is a dual-function wireless headset for both VoIP and traditional telephony, providing all the benefits of hands-free mobility in a lightweight, ergonomic, and future-proof design.

### SUPERB SOUND QUALITY

The Jabra GN9350e wireless headset significantly enhances a user's experience with Microsoft® Office Communicator 2007. Its impressive 6.8 kHz audio bandwidth is more than twice that of conventional telephony! Not only does wideband sound give the feeling of a true "face-to-face" conversation, it also helps increase productivity, because users can hear every detail the first time.

The Jabra GN9350e makes everything sound better. State-of-the-art Digital Signal Processing (DSP) technology removes impurities from the incoming signal, enriches sound quality, and maintains a safe, consistent volume level. The Jabra GN9350e's sleek boom arm with noise canceling-microphone and enhanced wind noise reduction means the user's voice is always transmitted clearly.

### DESK TELEPHONY AND VOIP

The dual function of the Jabra GN9350e means users can expand or change their telephone systems from traditional desk telephony to VoIP without having to purchase new headsets. This makes the GN9350e a uniquely future-proof investment.

### PURE WIRELESS FREEDOM

Intuitive and easy to use, the Jabra GN9350e's sophisticated LCD display lets users set call parameters, such as volume and audio output, to suit their individual preference. It also expands users' communications potential with an extended wireless range of up to 350 feet — plus provides conference call capability and, with an optional hot swappable interchangeable battery, around-the-clock talk time. Furthermore, improved design & materials make the GN9350e lighter and more ergonomic than its predecessor for unparalleled long-lasting comfort.

### PLUG AND PLAY

The Jabra GN9350e headset works with Microsoft® Office Communicator 2007 without requiring any additional software, including drivers. Just plug the headset into your PC USB port.
