

VoIP Supply Announces VoIP Hardware Affiliate Program

Affiliate Program Enables Affiliate Marketers to Bring VoIP Supply's Catalog to Their Websites

(Buffalo, NY) January 24^h, 2006 – VoIP Supply, a leading Internet Retailer of Voice over IP equipment, including IP Phones, Telephone Adaptors, and Wi-Fi VoIP solutions announced today the launch of their VoIP Hardware affiliate program. The VoIP Supply affiliate program, which has been in a private beta stage since the beginning of November, is now open to any affiliate looking to capitalize on the growing VoIP hardware marketplace.

“VoIP Supply believes strongly that affiliate partners will be key to the continued growth of our online sales,” said Garrett Smith, Director of Business Development at VoIP Supply. “We have crafted the program, based on feedback from our private beta affiliates, that offers generous commissions, dedicated account management, and promotions designed specifically for the affiliate channel. We are excited about the potential of the program and look forward to working closely with our current and future affiliate partners.”

From now until the end of February, any affiliate that signs-up for the VoIP Supply affiliate program will receive a \$20 sign-up bonus to be paid once the affiliate earns \$100 in affiliate commission. In addition to the sign-up bonus the VoIP Supply VoIP hardware affiliate program offers commissions as high as (10) percent of the total sale, a product data feed, text links, banners, a dedicated account representative, and soon customizable stores that will allow affiliates to select the products they want to feature and simply insert HTML code into their own website template.
