### **VoIP Supply Nominated For InfoTech Niagara BETA Star Award**

*Award Nomination is the Latest in a String of Nominations for the Internet Retailer*

BUFFALO, NY (January 27<sup>th</sup>, 2007) [VoIP Supply](http://www.voipsupply.com), a leading Internet Retailer of Voice over IP equipment, including [IP Phones](#), [Telephone Adaptors](#), and [Wi-Fi VoIP](#) solutions announced today that it has been nominated for the InfoTech Niagara BETA Star Award. The BETA Star Award is for the entrepreneurial firm bringing unique, innovative products or services to the market that show promise of becoming major economic forces. At the forefront of the cutting edge Voice over IP industry, VoIP Supply has emerged as the market leader in the resale of Voice over IP hardware, software, and services over the past two years.

"It is an honor to be nominated as a company bringing unique and innovative new products and services to a worldwide marketplace," said Benjamin P. Sayers, President and CEO of VoIP Supply. "The fact that the nomination comes from a local trade association composed of our peers in the IT industry makes it all the more rewarding."

The BETA Star Award nomination comes on the heels of VoIP Supply's nomination as one of Western New York's Best Places to Work for 2007. For more information about the InfoTech Niagara BETA Awards, please visit [www.infotechniagara.org](http://www.infotechniagara.org).
