### **VoIP Supply Named to Everything Channel's CRN Fast Growth 100 List**

*List Honors the Fastest Growing Solution Providers in the US*

**BUFFALO, N.Y. August , 2008** — VoIP Supply, LLC ([www.voipsupply.com](http://www.voipsupply.com)), a division of Sayers Technology Holdings and a leading VoIP solutions provider, has been named to Everything Channel's CRN Fast Growth 100 List. The CRN Fast Growth 100 list recognizes the fastest growing solutions providers in the industry today based on 2 years' growth of net sales from calendar year 2005 to calendar year 2007 and the ability to deliver multi-vendor IT solutions, cutting-edge technologies, close customer relationships, demonstrate strong sales philosophies and business-oriented IT consulting.

VoIP Supply was ranked #66 based on sales growth of 81.91% and their demonstrated ability to deliver solutions to a wide variety of customer verticals.

"There has always been a perception that VoIP Supply is just another 'box pusher' due to our web based go-to-market strategy," said Benjamin P. Sayers, CEO of VoIP Supply. "VoIP Supply is continuing to grow at an aggressive rate by providing our customers with a wide variety of VoIP solutions, not just 'boxes.' Hopefully this award, along with our continued commitment to developing custom VoIP solutions to meet the ever changing needs of our customers, will eliminate this perception."
