VoIP Supply Speeds Into Sale with Joe Gibbs Racing

NASCAR racing team purchases VoIP phone system, shows major companies buying into VoIP

BUFFALO, N.Y. June 2, 2008—VoIP Supply, LLC (www.voipsupply.com), a division of Sayers Technology Holdings and the leading VoIP solutions provider in North America, has supplied a VoIP phone system to NASCAR leader, Joe Gibbs Racing out of North Carolina. Joe Gibbs Racing purchased a complete IP based phone system solution from VoIP Supply, comprised of equipment from leading manufacturers such as Aastra, Rhino Equipment and Sangoma Technologies.

Joe Gibbs Racing, the home of NASCAR superstars Tony Stewart and Kyle Busch has joined the trend of major companies switching to VoIP technology. As the team continues to ignite the racing world on the track, they will be leading the pack off the track, thanks to an IP-based phone system solution that will allow the company to lower costs, increase productivity and allow them to scale their telecommunications infrastructure as they grow.

[Benjamin P. Sayers](#), President and CEO of VoIP Supply, is excited that VoIP technology use is expanding rapidly in all sorts of businesses and industries. "Whether it is a racing team, a school, or a corporate headquarters, VoIP technology is allowing for the best telecommunications experience, and saving organizations plenty of valuable resources.
