### **VoIP Supply Expands Office Space**

*Increase in company headcount yields need for larger space*

**BUFFALO, N.Y. April 29, 2008**—VoIP Supply, LLC ([www.voipsupply.com](http://www.voipsupply.com)), a division of Sayers Technology Holdings and a leading provider of Voice over IP hardware, software and services, expanded its office to include space for its future plans and continuous company growth. This is the company's fourth expansion in as many years.

The physical expansion consisted of 9,000 square feet of office space and 1,000 square feet of warehouse space which included: a new 20-person training facility, a new 1,500 square foot provisioning and fulfillment center, and 1,000 square feet of private stock warehousing, shipping and receiving. The expansions will allow VoIP Supply to further develop and expand on its current customer service practices.

"The office expansion was necessary to accommodate new employees and leave space for further growth in years to come," said Benjamin P. Sayers, CEO of VoIP Supply.

Plans for 2008 include a total addition of 30 employees. These employees will fill the need for more individuals in customer service, marketing, warehouse, purchasing, technical support, sales,
