SH330 A true classic

- Independent double-sided headband adjustment and ergonomic side support for individually preferred positions and maximum comfort
- Noise Canceling blocks out a great amount of ambient noise, making your voice easier to understand
- Ideal for professionals who need to keep in touch with what is going on around them and for extended periods of use

The SH 330 is a lightweight, all purpose monaural headset ideal for longer conversations. It is the stylish and highquality solution for users who value great comfort and top speech quality in any professional situation.

- **ActiveGard**[™] safeguards the user from the effects of an acoustic burst
- Self-adjusting ball-mounted speaker capsule allows perfect fitting to the head
- > 300° adjustable microphone boom allows the mic to be positioned exactly for optimal speech clarity. Teflon®* washer support increases positioning accuracy, stability and ensure optimal durability.
- Special acoustic foam ear pad optimizes sound penetration around the center of the cushion and into the ear canal while minimizing leakage. The sound remains superb whether using the leatherette or foam ear pad.

Frequency response...... 300 Hz – 3400 Hz Sound pressure Max. 103 dB limited by ActiveGard™ Ear-cap size X-large ø 51 mm / 2.0 inch Connector Easy Disconnect
