JABRA NOISE GUIDE

1. Jabra Noise Guide

2. 8 GB USB key with software

3. Power adaptor with EU, UK and US plugs

4. USB cable for connecting the Noise Guide to the power adaptor or a PC

PRE SETTING

Your Noise Guide is pre-set for "Noisy Office". You can change settings in the software.

Noisy Office   60   70   dB(A)

Green Ear : < 60 dB
Yellow Ear : 60 – 70 dB
Red Ear : > 70 dB

SOFTWARE

The software used for configuration and viewing measurements is installed with the included USB-key.

When the software installation is completed, open the software and click on "User Manual" in the left menu to download the user manual.

In order to fully understand the features and possibilities of Jabra Noise Guide, we advise you to read the user manual carefully before you start using your Jabra Noise Guide.

You can also download the software and the user manual from our web site:
www.soundear.com/downloads

To ensure that your software version is always up-to date, we strongly advise you to check the web site for the latest versions frequently.

1. Insert USB key to download log data from Jabra Noise Guide and offline configuration of the device.

2. USB entrance for connecting the Noise Guide to the power adaptor or a PC.

PLEASE NOTE! To set the internal clock in Jabra Noise Guide, connect the device to your PC with the USB cable. The time with then synchronize with your PC.
