Jabra Talk 25 SE

Engineered to keep conversations simple

HD Calls. Crystal-clear conversations.

Enjoy High Definition calls with an omni-directional microphone and 11mm dynamic speaker that are optimized for high-quality, crystal-clear conversations.

Get notifications. Stream GPS and media.

The Talk 25 SE gets the most out of your media, letting you wirelessly stream GPS directions, music and podcasts from your mobile phone. It also comes with Voice Guidance, notifying you when you need to recharge the device, and giving updates on your connection status.

Long lasting calls. Power-saving technology.

With up to 9 hours of talk time and up to 10 days of standby time, make reliable Bluetooth® wireless calls throughout the day on a single charge. With the Power Nap feature, Talk 25 SE extends battery power by turning itself off if disconnected from a device for a full hour.

HOW TO PAIR

First time pairing

1. Slide the On/Off switch to On. The Bluetooth LED will flash blue.
2. Turn on Bluetooth on your smartphone and select the Jabra Talk 25 SE from the list of available devices.
