

Mitel 6905 IP Phone

A powerful enterprise grade phone for basic communications

KEY FEATURES

- 2.75" (128x48 pixel) non-backlit display
- 3 programmable personal keys
- 4-way navigation key with Select/OK button
- HD wideband audio
- Dual Ethernet ports
- PoE Class 1

The Mitel 6905 IP Phone is the preferred phone for those who want basic communications functions packaged in a compact enterprise device. The 6905 features dual Ethernet ports, three programmable Personal Keys and a large 2.75" LCD display. The 6905's true HD handset and speakerphone provide remarkable wideband audio quality. The Mitel 6905 IP Phone delivers exceptional value for businesses of all sizes.

Remarkable Audio

The Mitel 6905 IP phone features high definition audio technology to deliver enhanced performance and voice clarity. Integrating HD wideband audio codecs, advanced audio processing and hardware components that support a true wideband frequency range, the 6905 offers a superior voice experience on handset and speakerphone – making conversations crystal clear and more life- like.

Enhanced Call Management

With an extensive array of supported features including directory, calls logs, voicemail and three programmable keys, the Mitel 6905 IP Phone is designed for easy access to all the most frequently used call management features.
